

TAE 8

It is suggested that we should aim for communicative efficiency according to level. Below is a list of ten language functions. Choose six from the ten and write similar examples at **elementary** and **post-intermediate** levels. Examples have been written for you which you should study carefully before attempting your own. Identify the language functions you choose by numbering them in the answer boxes.

Language Functions

- 1. Asking about and giving family details.
- 2. Giving warnings and advice.
- 3. Describing position.
- 4. Asking about and giving personal details.
- 5. Making requests.
- 6. Expressing sympathy.
- 7. Reacting to opinions.
- 8. Asking for and giving reasons.
- 9. Making and accepting apologies.
- 10. Making predictions.
- AE. *Author's example.*
- 11. Asking for information.
